On Behalf Of:
Committee: House Committee On Rules
Measure: HJR201

I urge the legislature to vote down this bill. I moved here ten years ago and was shocked by the taxes in this state. Since that time, I have seen the government take more and more of our money for no increase in services. Absolutely nothing productive gets done with this money that you keep taking and taking. When is it ever enough? There are buildings full of departments that could be downsized or streamlined in Salem. Start there. This is simply another way of making the Metro area subsidize the rest of the state. Enough.
