Introducing a PERSONAL PROPERTY TAX - in addition to the other taxes we pay. ...  
WHY? What are the limits?

Does this include bank account value (not income change), car's value, 401k's value.

Unless very carefully crafted, this feels like an unfair tax on the middle class. You know the responsible people in our community who are saving so that they are not a burden on the community. Unless there are not MASSIVE safeguards targeting only extremely high income ....PLEASE VOTE NO!!!
