I STRONGLY OPPOSE MEASURE 201. This is horribly bad for the People of Oregon. The money is already poorly managed, and further a failed economic agenda. Oregon has the highest paid public school costs per student and the poorest education statistics in the country. Oregon has the worst crime per capita, and worst ENABLED drug issues in the nation. Oregon has become a joke of where NOT to live, and now you propose this tax??! This is straight up, POOR LEADERSHIP. We need strong leadership, clean up our broken cities, clean up and raise the bar with USEFUL education, strict drug laws, and MORE. I VOTE NO.
