

Submitter: David Allen  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HJR201

Need to cut democratic party's members pay and we need to stop the democratic socialist party Venezuela dictator attitude as the democratic have screw this state up for the last 35 years and just want to control everyone life why in the hell dont they follow the laws on the books instead of trying to turn oregon in to the next Venezuela court I support fireing every democratic socialist party members in the state house and I think the head democratic socialist terrorist governor tina kotex should step down now because all democratic socialist party members want is to taxes use to death and become there slaves maybe they can start the deportation of the illegal immigrants that have broke the law ??????????????
