

Submitter: Norma Smith

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

- * Oregonians already pay higher taxes than most states.
- * Higher taxes discourage new business's and encourages existing business to leave.
- * Removes local control over property taxes hurting cities and counties
- * Removes current Constitutional limits on property tax and assessment rates
- * Risks seniors, the disabled and other limited income individuals and families from their homes. Low income housing is an issue now.
