On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

VOTE NO ON HJR 201 – NO STATEWIDE PROPERTY TAX. This isn't right. You have to be kidding me?? Please do not raise our property taxes. An increase in my property taxes will cause a hardship on me and I might not be able to stay in my home. As a senior I live on a fixed income and I would like to stay in my home until I am unable to do so. I thought that Ballon measures 5 and 50 requires the proposed amendment to the people for their approval or rejection at the next regular general election. PLEASE VOTE NO ON A STATEWIDE PROPERTY TAX. Thanks, Wayne Zallen
