Committee: House Committee On Rules

Measure: HJR201

I am opposed to HJR 201 as I am on a fixed income and struggle to pay my current property tax. This bill would remove all controls that voters have already passed on property tax rates and put the determination in the hands of politicians. This likely would raise my property tax rate to an unsustainable level and I would not be able to live in my own home. I am opposed to this bill.
