

Submitter: Patti Ingle-Rasmussen

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

Be it known that I oppose any raise in property taxes on a statewide basis. We already have some of the highest rates in the nation. As a retired person on a meager social security income, as many are, we can hardly afford the taxes we have now.

So, I urge you to vote against HJR 201.
