Committee: House Committee On Rules

Measure: HJR201

I oppose this proposal. Portlanders already pay some of the highest taxes in the nation. Adding additional taxes is dangerous. It will result in people being unable to pay, forced to leave their homes, & increase homeless. It will increase rents as landlords push the tax burden onto their renters.

Property taxes should be managed at the local level by people that understand their region's needs and not by Salem. The needs of large cities are very different than rural Oregon.
