

Submitter: Greg Brewer

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I oppose the measure, and I will campaign against any government officials (elected or not) who vote for this. We are already taxed to no end, please figure out how to budget better (the way we have had to do, we can't just give ourselves a raise) Get priorities straight, start thinking about whats good for we the people not your special interests.
