Committee: House Committee On Rules

Measure: HJR201

To all representatives elected and non-elected,
Due to years of uncontrolled spending and self dealing in portland and in Salem I'm sure money has become an issue. It's time to tighten your belts and make do with what you have. We are paying attention now. If we tighten our belts you tighten your belts. Enough is enough. Either listen to Oregonians or be voted out. In fact, it might be time for you to leave your cushy seats.

Sincerely,

Overtaxed, underrepresented, Oregonian
