I OPPOSE any rise of our existing property taxes!! They already go up every year! We are not the States "deep pocket". Stop IT. The significant cost of EVERYTHING has made it difficult to feed my family and put gas in the car! Every move Oregon makes, seems to increase the Cost to live and everyday becomes more dangerous to go out in Public! Its disgusting and needs to STOP. I am a taxpayer and a homeowner yet I cant leave my house after dark because I'm afraid! We need some REAL change in this State! It is so tragic what is happening to your citizens!
