

Oppose HJR 201

This new bill to increase property taxes has really made me question my belief that voting Democrats in for Oregon is the best way to go. I have been a lifelong Democrat since I turned 18 in 1994. I also voted for the measure that would not allow our property taxes to increase more than 3% each year. With how much we already pay in property taxes, any other bill that would increase them would make me vote in a republican so that the democrats no longer have the majority in the house.

Between this bill and the homeless response – pushing all of the homeless out to the counties by the emergency shelter bill – I and many others are fed up with the democrats in power in Oregon.
