On Behalf Of: WE THE TAXPAYERS
Committee: Joint Committee On Transportation
Measure: SB1572

Dear Lawmakers,

Please vote NO on SB-1572. Just like the failed experiments of these rail transit systems in California, this will cost the taxpayers tremendously and lead to new taxes on us to fund both the building process and the daily operations process. I and the vast majority of state's population don't even live in these areas and will never use it and yet we've already been stuck with paying taxes for it with its current routes in the greater Portland area. WE THE TAXPAYERS in the majority do not want this transit system and don't want new taxes. We certainly don't want our tax dollars being wasted on a commission to study such stupid liberal ideas and policies. Please vote NO on SB-1572. Thank you.

Sincerely,

Chad Kernutt
