Measure: HJR201

I am completely opposed to this amendment to our constitution. We do NOT need an additional layer of government that will increase the financial burden of Oregonians and add another layer of bureaucracy when we already have laws and agencies for public safety. We have laws already on the books with city, county and state we just need our leaders and police to start ENFORCING THE LAWS WE HAVE ALREADY. This is just another money grab and layer of control over Oregonians and our tax dollars. No on the Amendment to our constitution, No on another tax that will cripple Oregonians even further, No on HJR201.
