Committee: House Committee On Rules

Measure: HJR201

I oppose HJR 201- how will senior citizens on fixed incomes, and low- middle class people ever be able to afford to continue to live in this state? Only corporations and the very wealthy will be able to own property, etc. in Oregon if this passes. Those with means will simply register the residency elsewhere and avoid paying this added tax. Please stop choking the hard working people of Oregon.
