Committee: House Committee On Rules
Measure: HJR201

HJR 201 would remove Constitutional limits on property tax rates (measure 5) and assessment rates (measure 50)! This will be disastrous! Oregonians already pay higher taxes than most states. It removes current local control over property taxes from counties and cities by allowing new statewide property tax without limits! HR 201 would be a referral to voters, because that is the only way politicians can remove current Constitutional property tax limits that protect home owners. Seniors, disabled and other limited income Oregonians will be thrown out of their homes as property taxes become limitless! We can't afford it! Oregonians already pay higher taxes than most states.
