On Behalf Of: SB1548

Committee: Senate Committee On Veterans, Emergency Management, Federal and World Affairs

Measure: SB1548

Thank you so much for introducing this common sense legislation (SB 1548) to have standard time all 12 months of the year here in Oregon.

Changing the clocks every six months is very disorienting and having daylight savings time in December would result in 8:30 AM sunrise. We tried daylight savings time for the whole year in the mid 70s and people absolutely hated it.

I have written to Senator Porzanski and encouraged him to support this bill.

THANKYOU!
