

Submitter: Jessi Presley-Grusin

On Behalf Of:

Committee: Senate Committee On Rules

Measure: SB1533

I fully support this measure. It is critical to maintaining our democracy that every adult have the right to vote and not be impeded from doing so. Lack of language inclusion is an obvious barrier that we can easily remove, guaranteeing more people are able to vote and therefore represented in our government. Please do everything in your power to support this bill and all others like it which protect every person's right to vote.
