Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal
and World Affairs

Measure: SB1548

Senator Kim Thatcher

Having never sent anything like this before I absolutely had to say thank you so much for helping with Senate Bill 1548.

I just got a chance to read the article in the oregon statesman journal. This is really great news and far over due. If we can do anything to help don't hesitate to ask.

Thanks again from myself and many many others. Sincerely, Greg Evans
