

Submitter: Ronald Hansen

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

Greetings!

I disagree with the raising of taxes. I am on a limited fixed income. I am on Social Security, union retirement and the disability from the veterans. It seems to me that within the last few years the price of everything has gone up. It makes it difficult to meet my financial needs. I have many friends that are retired and barely making it on Social Security a tax increase would be devastating to them.

Cordially:

Ronald Hansen
