

Submitter: William Martin

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

This is a really bad idea. Oregon is already one of the states with the highest tax burden, mostly falling on the working poor and elderly. I myself will be retiring in the next 5 years, and I really don't want to leave Oregon because I am priced out of my home. Please do not do this to the decent people of Oregon.
