

Submitter: Gerome McNooner
On Behalf Of: All Oregonians
Committee: House Committee On Rules
Measure: HJR201

Taxes are theft! You criminals propose these useless laws with no regard to any Oregonians best interests. You are parasitic swine who exist at our pleasure. We provide you with the means to survive and in short time we will be removing that from you as well if you keep proposing useless trash like this. How about instead of taxing every single piece of personal property everyone in Oregon owns you reduce the size of useless government spending that solves no real issues and only serves to support your political elite campaign donors.

Sincerely,

Every Oregonian.
