

Submitter: Doris Rabe
On Behalf Of:
Committee: House Committee On Rules
Measure: HJR201

Seniors live on social security. property taxes are already high in McMinnville . Seniors can't afford to pay for taxes state wide. It is not an equitable taxation. Seniors do not want to lose their homes. It's a struggle each year for seniors to pay their property taxes. Please do not add to their tax burden. respectfully oppose HJR201
