

Submitter: Janet Watkins
On Behalf Of: Tax payers
Committee: Senate Committee On Education
Measure: SB1583

Leaving parents & school boards out of decisions on curriculum etc is Flat Out Wrong!!!! Parents & all of us pay taxes that support the public school system & we are the ONLY ONES Who should have a say in what our children & grandchildren are taught. NOT State Government officials, NOT the Federal Government, NOT Weirido minorities!!! And since All of us pay taxes for the Education of our children & grandchildren WE SHOULD Be able to decide Where & When & with whom they are educated & the funds we pay in taxes Should & MUST FOLLOW Each Child to the school of the parents CHOICE.
