

Submitter: Sheree Johnson

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

I am vehemently opposed to this destructive bill. I am in support of preserving wildlife and the integrity of the river as I have been for the 20 years that I have lived on this river. The current bill has been working and has improved the safety of others using the river.

Please do not pass this bill.

Thank you for your consideration,  
Sheree Johnson
