Measure: SB1590

We do not go to the river anymore because of the regulations put in place in 2021. SB 1590 will increase public access to towed water sports for hundreds of families along the Newberg Pool. This includes restoring carefully planned zones by the OSMB, shaped with input from diverse river stakeholders including small businesses, environmentalists and homeowners. These zones ensure safety for river users and the environment by limiting towed water sports to suitable areas.
