

Submitter: David Wall
On Behalf Of: Mr Oregon Opposes HB 4063
Committee: House Committee On Housing and Homelessness
Measure: HB4063

I OPPOSE [HB 4063] with EXTREME PREJUDICE!

Metro counties should not comply with the Housing Needs Analysis or any more planned residential housing projects. Local Voters should control.

The planned housing projects will compel existing residents to subsidize infrastructure and operational costs of storm water management, potable water and sewage treatment.

Residential crime will increase. Blighted neighborhoods will diminish property values.

"Taxes" masquerading as "Fees" will increase to pay for more government services and once this process gets underway, it will not stop!

People on "Fixed Incomes take note-for the Bells of detrimental life style Toll for Thee!"

The peace and quiet all of you desire and love will be destroyed!

David S. Wall

Mr. Oregon Concurr, "Metro counties, it is up to you to save your place in Oregon!
Don't let the Housing Needs Analysis tread on you!"
