**Testimony in Support of HB 4093– Public health member for the OLCC**

Dear Chair Grayber, Vice Chairs Lewis and Tran and members of the House  
Committee on Emergency Management, General Government, and Veterans:

**GOBHI (Greater Oregon Behavioral Health Inc) supports HB 4093.**

GOBHI is a behavioral health and social services network serving 12 rural/frontier coun-  
ties with the goal of empowering individuals and communities to achieve better health.  
GOBHI was established in 1994 and is a non-profit organization.

GOBHI supports HB 4093 which requires a public health member to be appointed to  
the Oregon Liquor and Cannabis Commission (OLCC). The OLCC will be a better bal-  
anced commission with members that are more reflective of the needs of Oregonians  
with a member focused on public health.

**Please support HB 4093**

Thank you.
