

Submitter: Timothy Lorain

On Behalf Of:

Committee: House Committee On Rules

Measure: HJR201

I work hard 40+ hours a week. I own my own home. I can barely pay all my bills now. I strongly oppose this bill. I want to keep my house. With the Oregon legislation in charge of my property taxes is way too much control for a free country. Down this bill or it will be too much for anyone to own their own home. We will look like California. We don't want that.
