Measure: HJR201

I urge our Oregon leaders to have compassion for Oregonians by opposing HJR 201. We are under the heavy financial burden of inflation and increasing taxes/fees, including additional city and local taxes imposed on us. Our wages have not increased to cover these increases and are not keeping up with inflation. Our elderly parents are caught in this downward spiral too. We feel we are at the whim of those who are not considering how much more us taxpayers can bear. Please oppose HJR 201!
