On Behalf Of:
Committee: House Committee On Rules
Measure: HJR201

I am opposed to this measure for many reasons. Among them are the rural families that would fall under a state-run tax codes. One that would be run by the largest cities of Oregon.

A bill that has no safe guards to stop it's increase.

Our land and property taxes are used locally. For the benefit of the local people. Not state politicians.

This is a mess in the making. Do not pass this bill.
