No! No! No! No more taxes! Don't threaten us voting citizens with needing more money for public safety when it was "you, the government" that took safety away in the first place by "defunding the police", allowing criminals on the streets, welcoming illegals, and decriminalizing drugs.

I, like many other Oregonians, cannot afford any more taxes! As a senior citizen already at poverty level, more taxes could force me out of my home. More taxes would also mean price increases all over Oregon, and prices are already sky high. This is not the path to affordable housing either. Surveys show that people want single family homes and this new tax would make those homes even more out of reach.

Use tourism dollars or marijuana tax dollars or cigarette tax dollars or gas tax dollars or transit tax dollars or medical leave tax or lottery tax monies, DMV costs/tax, hell take a cut out of your own paycheck, BUT STOP TAXING OREGONIANS TO DEATH.
