I strongly oppose this disgusting attempt to try to slyly right the wrongs of the criminal Oregon government, (previously Brown), Kotek and their cronies.

They are attempting to, once again, tax the poor citizens of the state of Oregon, to make up for yet another of the super majority's gross dereliction of duties of spending all of OUR money on total BS, illegals, homelessness THEY caused, divisiveness, ruining our schools, etc etc etc. This is just another liberal tax to make up for their atrocious spending. Throwing more money at this problem is NOT the solution...spend what we have already WITH OVERSIGHT.

I absolutely do not support this and plan to vote out every single person who votes in favor.
