On Behalf Of:
Committee: House Committee On Rules
Measure: HJR201

I strongly oppose HJR 201 that 'Proposes an amendment to the Oregon Constitution requiring the Legislative Assembly to create an administrative authority for funding public safety in this state.' And by public safety in this state they mean Portland. Should this faulty and ill conceived bill make it onto the ballot and somehow pass, this would only serve to bail Portland out of the mess they themselves created. HJR 201 will cause people to lose their homes, and drive businesses out of business or cause businesses to move out of the state due to skyrocketing property taxes.

Oppose HJR 201.

Thank you,
Jim Welsh
