On Behalf Of:
Committee: House Committee On Rules
Measure: HJR201

I am against HJR 201 because it takes control of property taxes away from communities.

It is antidemocratic to remove control from rural communities and place it in the hands of the state.

Oregon doesn't need any more taxes. We are driving businesses and citizens away from our state. Ultimately this will wreck our economy as all the productive people move away.

You do not need any more of our money. We do better deciding what to spend our money on ourselves rather than bureaucrats in Salem.

Sincerely,
Stephanie Allisany
