

Submitter: Hannah Watterberg  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HJR201

I am writing to oppose HJR 201. Property taxes are already too high. Property taxes should be managed by the cities and counties not the state. Then there can be greater accountability of how the revenue is spent. We do not need to give the state any new "administrative authority." Waste no more time on this foolish amendment. Oregonians from all over are speaking up in opposition. Represent our wishes and drop this effort!
