Measure: HJR201

Our Government has been dominated by Democrats and RINOs who are trying to take away our rights, seize more of our hard earned tax money for their radical agendas and warmongering, and remove our democratic choice to vote for who we want to represent us. All while claiming Republicans will destroy democracy. Ironic. Deceptive. Last I knew, Oregon and the United States of America were not a dictatorship. "I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all." I say NO to new/increased taxes! Taxation is theft. Stop using the tax money that you steal from us hard working Americans to finance your corrupt schemes, to line your own pockets, to buy votes from those who are not wise enough to see through the deception, and/or waste on on studies/programs that do more harm than good. Get back to the basics, balance the budget, and spend the minimum required to run a limited government. I will pray for you to have integrity and do the right thing for the Citizens of this once great State and Nation. I pray for unity. In case you need a friendly reminder, here is your oath of office: "I do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter. So help me God." Please fulfill your oath and start supporting and defending our Constitution from all enemies, foreign and domestic?! Or, do the respectable thing and bow out; let those who want to govern with integrity, wisdom, and respect lead. Proverbs 10:16-17 The wages of the righteous bring them life, but the income of the wicked brings them punishment. He who heeds discipline shows the way to life, but whoever ignores correction leads others astray.
