On Behalf Of: My husband and myself
Committee: House Committee On Rules
Measure: HJR201

My husband and I are retired and in our 70s. We worked HARD to pay off our home before retirement and budgeted our yearly taxes and insurance on our Social Security and savings/investments. If our tax burden doubles or even raised by half it will cause a hardship to keep our home through retirement. Seniors have large healthcare expenses. This is abhorrent and cruel to even consider this measure! Most rural Seniors are struggling already to survive during the recession and inflation. I can't believe OREGON WOULD TREAT US THIS WAY! STOP THIS MEASURE! THERE ARE TOO MANY HOMELESS NOW! Oregon should be doing ALL IT CAN to keep seniors in their homes as long as possible. Few can afford assisted living or skilled care and many can stay in their homes for years with limited services. What are you thinking? DEMOCRATS PLEASE Stop HJR 201.
