Measure: HJR201

I write in opposition to this bill.

As a retired individual, I have already watched my property taxes increase due to the level of development in the rural area near my small home. I am already on an extremely tight budget, and had to return to work at the age of 67 to meet the rising costs of Healthcare, groceries, heating oil, and gasoline.

I am already just a paycheck away from homelessness.

Loosing my home would put further pressures on my health and quality of life. I have worked hard all my life for what little I have.

Please don't allow unfettered property taxation to make me loose what little I have.
