

Submitter: Thomas Schwartz

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

The small number of people who own and use wake boats have a large negative impact on many other users of the river. The current restrictions on wake boat use in the Newburg Pool from SB 1589 are fair and measured. To repeal them by SB 1590 would degrade an important recreational resource near Portland, and I oppose it strongly.
