

Submitter: Sarah Clarke  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HJR201

It is alarming to see the drastic spending and increase that everyone seems to be putting on the citizens. We know many, many people that are feeling forced out of the state due to terrible increases, mismanagement of funds, a lopsided political mess, a completely corrupt government letting crime run rampant, a police force unable to do their jobs and crazy overall cost of living. The continued increases are making cost of living even harder when you try to increase taxes on a already over taxed state.
