We are so tired of the current legislative bodies shrewdly presenting bills that most citizens of Oregon will never hear about or vote upon. Constitutional changes should be avoted on by our citizens only. This is another added expense to Oregonians that only a segment of the population will pay for. LEAVE THIS UP TO THE COUNTIES OR CITIES IN OREGON. YOU ARE TAKING AWAY OUR VOICES. NOT A SURPRISE AT ALL, AS YOU ATTEMPT TO SUBVERSIVELY TAKE AWAY OUR RIGHTS.
