

Submitter: Everett Morgan
On Behalf Of:
Committee: Senate Committee On Education
Measure: SB1583

This measure is:

- an attempt to force state regulation upon local schools
- a way of discriminating against parental rights
- forces teaching materials upon local districts
- forcing the teaching of radicalized ideas upon local levels
- a very bad & evil bill promoting only one political position
- falsely claims to be against discrimination but is itself very discriminatory

Please kill this very bad bill
