

Submitter: Whitney Callaghan  
On Behalf Of:  
Committee: Senate Committee On Education  
Measure: SB1583

Good morning. This is a concerned parent. The reason I'm reaching out to you is because if SB 1358 passes, you will be voted out! We need to protect our children from this woke agenda and these books DO NOT belong in OUR CHILDREN schools libraries! Have you EVER picked up one of those books and read it? They are Pornographic and very detailed, parents have been shut down from reading a part's of the books across America at school board meetings, saying that it's inappropriate for it to be read in a room full of adults, but it's okay for OUR CHILDREN to be able to read it? Please how does that make ANY sense? We need to keep our children innocence. Are you a parent? How would you feel about if you're elementary or middle school child came home and started asking sexual questions or how does that work or whatever? I know how I would feel, I would ask my son where he heard that from, and then go to the source! Because for one I DON'T talk to my son about ANYTHING like that because he's too young and he wouldn't be able to understand it either. So please keep in mind about if this DOES pass, you WILL be VOTED OUT OF OFFICE!
