

Submitter: Alina Bradea

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB1591

I, Alina Bradea support the measure to have 7 residents in the home. I feel my fellow providers and myself have the capabilities and the knowledge to serve and provide for the acuity of 7 residents.

I, Alina Bradea would like to provide care for Medicaid residents but due to the lack of funds and support provided by the state for Medicaid residents, we as adult care homes cannot afford to stay open. We cannot afford to provide a safe and caring environment that each elderly deserves.
