

Submitter: Jon Chisholm

On Behalf Of:

Committee: Senate Committee On Natural Resources and Wildfire

Measure: SB1590

Access to this river has been so beneficial to my family over the years. For us, boating is a time to bond. Laughter, talks, family, and friends. Getting to know your kids' friends is so important. Who they hang out with can shape who they are. I pride myself on being an involved parent. This is one activity that builds our togetherness. Not having access the last year I have noticed less time on the water meant less time with family.
