

Submitter: Alexandra Andriuta

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB1591

I support measure SB 1591. I have been a caregiver for 16 and an owner for 14. I love working with elderly people and supporting their families thru the process of caring . Medicaid rates make it really difficult to maintain the standards of care our residents need and we are requested. Also having an increased capacity will make us be a sustainable business and not struggle at so many levels ( retaining employees ).
