I can't afford an additional tax (I barely can pay my household bills. Inflation, rising utility costs are quite a challenge) and I believe that Oregon already has sufficient revenue if it spent it wisely (e.g. not spend health care money on those not legal residents of the state). My county funds the sheriff. If public safety is deteriorating statewide, then that should be addressed by ending the deliberate slide into lawlessness in so many ways (e.g. legal drugs, toleration of public camping, sanctuary state).
