

Submitter: James Weigel
On Behalf Of: Tax Payer
Committee: House Committee On Rules
Measure: HB4075

I can't believe I have to do this instead of working. I thought we elected Representatives to represent Oregon, not outside influences. We don't need another committee, we have laws on the books. We just need to enforce them and this state will be safe. Stop the gun free zones. Stop the special rights, taking rights away from other citizens. And represent Oregon for the future of Oregon. Thank you
